

***Remarks***

Reconsideration of this Application is respectfully requested.

Upon entry of the foregoing amendment, claims 84-103 are pending in the application, with 84, 88, 92, 95, 98, and 101-103 being the independent claims. Claims 1-83 are sought to be cancelled without prejudice to or disclaimer of the subject matter therein. New claims 84-103 are sought to be added. Support for the new claims is found in original claims 1, 17, 24, 42, 43, 45, 46, 48, and 49. These changes are believed to introduce no new matter, and their entry is respectfully requested.

The Examiner restricted the claims to groups I-X. Applicants canceled all pending claims and presented new claims 84-103. Applicants elect the newly added claims for prosecution. Reconsideration and withdrawal of the Restriction Requirement is respectfully requested.

### ***Conclusion***

Applicants believe that a full and complete reply has been made to the restriction requirement. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
